

weather reminders from the City of Elkader

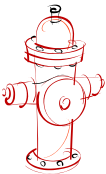

Between November 1 and April 1 there will be no parking allowed on City streets from 2:00 a.m. to 6:00 a.m. when snow or ice removal is necessary.

It is the responsibility of the abutting property owner to REMOVE SNOW and ice from the sidewalks within a reasonable amount of time. There are many people in town who use sidewalks as their main form of transportation so please make it safe for them to walk.

No person shall throw, push or place any ice or SNOW ONTO THE STREET from private driveways and sidewalks.

Please help the Elkader Fire Department by shoveling snow away from any FIRE HYDRANTS near your property so they are easily spotted in case of an emergency.

Be respectful of snowplowing vehicles. They are working hard to make your drive easier. Don't drive in their path. Don't assume they can see you. Do not drive around them until you have made eye contact with the driver.

Please keep areas clear of snow for utility meter readers.

Thank you for your cooperation!
